Low Port Out Of School Club
S.C.I.O

HOLIDAY OPENING BOOKING FORM

Booking: If you would like to book your child/children into the Low Port Holiday Club please fill in the form below and hand it in to Emma or any of the staff at the Club.

Cancellations after the booking date will be chargeable: This is because of some holiday bookings being cancelled at very short notice, when staffing has been arranged and other expenses have been paid.

Payment is due at the end of each Holiday Club week: Payment arrangements are the same as for the School Club i.e. cheque, standing order or voucher. Cash will not be accepted.

Minimum attendance: In order for the club to open during school holidays and in-service days without making a significant financial loss, there needs to be a minimum number of children attending on any specific day. The children also have a more enjoyable day if there are this number or more present. Should it become clear that there will not be sufficient attendance on any day the club will advise the days impacted as soon as practical.
